

NEW

TANK 500 3.0T DIESEL

Power Beyond Limits

Power Beyond Limits

Experience a new level of driving **with the powerful 3.0T DIESEL**, engineered to take you beyond every destination.

Discover a Premium SUV where commanding performance meets refined luxury. Every detail from its distinctive design and intelligent features to the exceptional comfort of its cabin is crafted to deliver a driving experience that stands apart and performance that goes beyond expectations.

Experience

a New Level of Journey

A sophisticated blend of elegance, refinement and comfort, thoughtfully designed to transform every journey into a truly elevated experience.

Electric Sidestep

Effortless access with an electrically operated sidestep.

Power-adjustable 3rd-row seats

Expand your space with power-adjustable third-row seats, designed to accommodate every lifestyle with ease.

Elevate Every Journey Beyond Expectations

A spacious, refined cabin with premium seats, sound-insulating glass for enhanced serenity throughout the journey, and versatile seating for up to 7 passengers—thoughtfully designed to complement every lifestyle.

Panoramic Sunroof

Elevate every journey with an expansive panoramic view and an open-air sense of freedom.

2nd Row Ventilation Control Panel*

Independent climate and seat ventilation controls for second-row passengers.

*Technical specifications and standard equipment may vary.

Refinement in Every Detail

Every element is meticulously crafted to deliver superior comfort and an elevated sense of luxury, transforming every journey into a more complete experience.

Luxurious Seats*

Premium Nappa leather seats with refined craftsmanship and comprehensive seat functions, delivering exceptional comfort on every journey.

Coffee OS 3

A 14.6-inch infotainment display paired with a 12.3-inch digital instrument cluster, with Voice Control, Apple CarPlay and Android Auto for seamless everyday connectivity.

Premium Speaker

An immersive premium audio system with 12 speakers, engineered to enrich every journey.

*Technical specifications and standard equipment may vary.

Powered by the 3.0T Diesel Engineered to Go Beyond

Elevate every journey with performance that knows no limits.

620Nm

Commanding Torque

Responsive power engineered to
take on every road with confidence.

170kW

Exceptional Performance

The ultimate expression of diesel power,
engineered for a commanding drive.

Multiple All-Terrain Drive Modes*

An intelligent Dual-Speed 4WD system with front and rear electronic differential locks, offering 10 driving modes along with TANK Turn and power distribution control—giving you the confidence to take on diverse terrains and every adventure ahead.

TANK Turn

Enhanced manoeuvrability in confined spaces.

Driving Mode Control – 4WD

Intuitive control over driving modes for different road and terrain conditions.

*Technical specifications and standard equipment may vary.

Connected by Two Intelligent Systems

Voice Command
